

Class Newsletter Year 2 E31

Newsletter: Term 1 Week 9 2017

GENERAL NEWS

Dear Parents,

I am very pleased with the way the students have settled into Term 1 with me. We have enjoyed getting to know each other and establishing our classroom routines, rules, and expectations. Our focus has been to develop a community of learners with a growth mindset in a happy and positive learning environment. We have had a busy and productive term with a variety of topics covered. The students have also focused on being a 'Powerful Learner' and have been engaged in many different learning tasks. It is a privilege teaching the students from E31. Thank you for all your support and positive feedback. I wish you a very happy and safe holiday and look forward to a successful Term 2.

Kind Regards,

Monica Kemp

E31 Highlights for Term 1

*I have learned about how the brain works and having a growth mindset. I have enjoyed doing fitness on the hardcourts. The best thing about this term has been learning about Place Value in Maths. **Ahmad***

*This term I have learned about the life cycle of a frog and I am better at subitising. I have enjoyed doing our morning fitness games and I really like playing Crazy Cones. **Archer***

*This term I have learned about using the secret code when I am adding numbers. I have enjoyed learning about having a fixed and growth mindset. **Aiken***

*In Maths this term, I have learned about two digit numbers, the secret code, and friendly numbers. In Geography I have learned about the seven continents in the world. I have enjoyed doing our mental routines and The Arts with Kathryn. **Jean***

*In Maths this term, I have learned about place value, friendly numbers, turnarounds, counting using less brain space, chunking for addition and other mental computations. I have enjoyed playing the No Junk in my Yard game in P.E. I have also enjoyed learning about the seven continents. The best thing about this term is learning about animal life cycles. **Nameer***

*In Maths this term, I have learned about rainbow facts and using the secret code. I have enjoyed doing our morning fitness games and I have also liked writing narratives. The best thing about this term has been learning about the seven continents in the world. **Mai V***

*In Maths this term, I have learned about the secret code, friendly numbers, subitising, doubles, and turnarounds. I have enjoyed learning about the seven continents in the world. The best thing about this term is learning everything. **Mira***

*This term I have learned about the structure of a narrative, there are seven continents in the world, and the life cycle of plants and animals. I have enjoyed P.E because we have played lots of fun games like Crazy Cones. I have enjoyed my teacher because she is nice and helps me to learn. **Andrew***

*In Maths, I have learned how to count on. I have liked playing our games in Fitness and in P.E. The best thing about this term is playing sport. **Henry***

*This term I have learned about chunking for addition. I enjoyed writing the narrative about Jack and The Beanstalk.. The best thing about this term has been writing sentences using conjunctions. **Ciana***
