

HEALTH and PHYSICAL EDUCATION

Curriculum:

In Health and Physical Education this term we will continue to focus on the following areas:

- Active play and minor games
- Fundamental movement skills
- Lifelong physical activities
- Healthy benefits of physical activity
- Mental Health and wellbeing

All students will begin their own Personal Development Fitness program at age appropriate levels.

Year 5-7 students will undertake the Beep Test again and develop a training program for out of school time.

Primary students have begun a unit of work on Invasion games, where the concepts of attacking and defending are the key elements. Small sided Netball and Basketball style games are being used to maximize individual participation.

The Health Triangle (Physical, Social and Emotional health) is being further developed this term through role-playing real life scenarios. Healthy eating practices will be explored, along with lifestyle choices.

Junior Primary students will continue to participate in Minor Games. They are also working on a variety of activities that will form part of a daily Fitness program

Whilst in Health the focus will remain on communicating and interacting for and wellbeing. An understanding on the basics of healthy eating will be taught as well.

SAPSASA:

All students born from 2007 and before have been given the opportunity to participate in the SAPSASA Cross Country Championships. It will be held on Friday May 19th at Shutter Reserve, Klemzig.

Trainings begin for the week long SAPSASA soccer carnival on Mondays 22nd May for girls..The carnival runs from the 26th through to the 30th of June at West Beach.

Approximate cost \$150

Our Year 6/7 Knockout Netball and Soccer teams have also began training in readiness for their upcoming matches.
