

Welcome to E43

*My name is Hayley Weber and I am thrilled to be your child's teacher this year.
In this letter I have included some key pieces of information about our classroom*

About Me

This is my second year teaching at Mawson Lakes Primary School and I have really enjoyed my experience so far.

I have a background of specialising in Junior Primary and have previously taught in a small country town near the Barossa and in Port Augusta. I am passionate about teaching and working alongside families to achieve the best outcome for each and every child.

In 2021 I aim to engage and challenge your child to take risks in their learning, to recognise the value of mistakes and approach all learning with a positive mindset. Valuing your child's voice and having clear learning intentions will al-

Communication

I use Class Dojo to communicate between home and school. This can be accessed online through a computer or through the Class Dojo App. If you are not already connected I have attached a letter explaining how to sign in

Mawson Lakes School uses the SkoolBag App to communicate whole school information between school and home. Download the

A Bee Folder will be kept in the students Blue Bag and is used to carry important notes via home and school.

Settling into year 1/2

We will begin term 1 getting to know each other, establishing routines and co-creating a positive classroom environment that reflects our schools' values.

Levelled reading books will be sent home Friday of week 3.

Morning Routine

At 8:40am the classroom will be open and children are encouraged to enter via the main entrance to the building. Students' bags will be left in the lockers and each day they will bring the following items into the classroom.

Blue Bag (used for Library borrowing)

Bee Folder

Healthy snack

Drink bottles

Parents are asked to say goodbye to their child outside the classroom, to support our classrooms to be COVID safe. Please adhere to all social distancing and personal hygiene guidelines, and check our SKoolBag App for ongoing information about school health and safety.

Please make a time to see me before or after the school day to minimize disruptions to class learning.

Cooperation – Pride – Quality -

Belongings

It is helpful to clearly label all belongings with your child's full name and room number (E43). This ensures any lost items can be easily returned to their owner.

Hats are worn during Terms 1 and 4. The school has a strict 'no hat, no play' policy.

Specialist Subjects

Your child will work with a specialist teacher for 45minutes each day. Please see below for our subjects and teachers per day.

Birthdays

If your child is celebrating a special event or birthday during the year and you would like to send in a treat to share during recess or lunch eating time please ensure:

- All ingredients are listed
- The treats are ready to serve
- There is enough for each child

Please check the number of children in our class with me beforehand as the number can change during the year.

Term Overview

At the end of week 2 Term overviews will be posted online. These will include further information about curriculum content and subject topics. These can be found on the school website: <https://>

I am looking forward to a great school year ahead!

If you have any questions, during any time of the school year please don't hesitate to contact me.

Hayley Weber
