

Punjabi (FMLD) Language Class News

The upper primary students of Punjabi have been learning about Indian traditional clothing. Their research was focused on the cultural clothing for men and women in different states of India as well as their material, colour, name of chosen clothes and design.

Students also designed their chosen dress using fabric and created their dresses using foil and coloured pens.

Some students have been working on a storybook about family (bottom right) and celebrating their cultural heritage through Independence Day celebrations (bottom left).

Junior Students of Urdu Class

We have been busy learning about the family unit and the different components and relationships that are composed of within a family such as uncle, aunty, son, daughter, father, mother etc. Students created posters comprised of sketches highlighting their individual families.
